What is sponsorship?

Sponsorship is a mutual and confidential sharing between two Al-Anon or Alateen members. Sponsorship is for the newcomer – confused, anxious, uncertain – as well as for all members seeking to live the spiritual way of life.

A sponsor is someone with whom a member can discuss personal problems or questions, someone who willingly shares the experience, strength and hope of the Al-Anon/Alateen program. The need of sponsorship is like being lost, in the woods. If we find someone else who is lost, it's comforting when that person says, "I'm lost, too. Let's see if we can find our way out together." It is also comforting to find someone who says, "I was lost, but I was helped to find my way. Come, take my hand and I'll show the path." - From Sponsorship, What's it's All About P 31
